

NewsLetter

Fellow Shooters,

It's great to see people coming out every Sunday supporting the club. As you may already be aware of, our planning application has been successful, which secures our future, all be it with a few conditions. The main one is a reduction in the shooting hours allowed, we applied for 10 till 4 and were granted 10 till 2, but operationally this will not affect us as we have only shot beyond 2pm twice in three years and these were charity/corporate events. The other conditions were the instigation of a bat and owl box program to encourage wildlife in the wood. Part of the planning application included a parking facility, which we have wasted no time in installing, and is now situated right outside the main entrance to the shoot. It is fully operational so please use it at your next visit, now we can look forward to a hassle free winter!

Don't forget that the Side-By-Side trophy shoot is on the 6th Nov and is open to all members with trophies for 1st, 2nd and 3rd in all classes.

The Welsh Covert Clay Club Team.

Congratulations!

Jason Sparrshott for being our first holder of the Paul Jones Memorial Trophy with a winning score of 95.

Well Done!

Coaching
